INNOVATORS OF CREATIVE BRANDING

AUTO MOBILE

Expandesign has a range of portable instant advertising products which can be used at any automobile retail or promotional event. Instantly brand your showroom, forecourt or motoring event.

Flying, Feather and Wing banners: available in a range of sizes and with hardware suitable for indoor or outdoor use e.g. 25° wall mount or car mounts for car showrooms.

Vertical and Horizontal A-frames for indoor and outdoor use.

Freestanding Towers: suitable for indoor or outdoor use and can be branded on all 3 sides.

Ex-Rolls and Ex-Ts: compact promotional stands with no loose parts for indoor use.

Table cloths and table throws: are ideal for in-store displays.

Freestanding and Overhead Cylindrical banners: perfect for creating an eye-catching landmark in your showroom.

Car top banners: use for advertising or as price boards.

Dash protectors: use for advertising or as price boards.
