

BEACH

INNOVATORS OF CREATIVE BRANDING

BEACH

Instantly brand the beach with Expandesign's portable and quick to assemble range of products.

Flying, Feather and Wing banners: are available in a range of sizes and with an extension stake for use in sand.

Vertical and Horizontal A-frames: available in a range of sizes and are perfect for demarcating event starts and finishes, volleyball courts and VIP areas on the beach.

Promo shops: suitable for use instant booths and are ideal for product launches and sampling.

Towers: can be branded on all 3 sides and make impressive beacons in races, information boards and can even be used as make-shift change rooms on the beach.

Jumbo Cabanas: offer high brand visibility and spacious cover. These are perfect for event registrations, first aid tents or storage areas at any beach event!

Gazebos: offer spacious cover and a large print area for branding.

Table cloths and table throws: perfect for additional branding at event registration tables or for displays.
